SUPPLEMENTAL DECLARATION

I, Gad Assaf, am the sole inventor and applicant of the above-identified application.

This Declaration is submitted supplemental to the Declaration which was filed with the reissue application on January 30, 2002.

Every error in the patent which was corrected in the present reissue application, and which is not covered by my prior Declaration referenced above, arose without any deceptive intention on the part of the applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under 18 U.S.C 1001 and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon or any patent to which this declaration is directed.
